ACTOR

BIO

Javier Coromina is a Spanish actor with a career spanning more than twenty films, including several international productions, as well as television series and theatre.

His most recent film work includes the international productions *The Last Sunrise*, by **Carlson Young**, released in 2026 on Prime Video, in which he plays a neurosurgeon, and *People of the Book*, by **Michael Haussman**, currently in post-production, in which he plays a fifteenth-century Spanish inquisitor. He is also part of the cast of *Idilia*, by the **Sepúlveda brothers**, a film that has won several awards at national and international festivals and will soon be available on Filmin, in which he plays a soldier in an elite unit. He is currently preparing for his next shoot, scheduled for autumn 2026.

Over the course of his career he has worked with directors such as **Jaume Balagueró** and **Paco Plaza** on *REC*; **Julio Medem** on *Lucía y el sexo*; **Enrique Urbizu** on *La caja 507*; **Cédric Klapisch** on *Una casa de locos*; and **Kenny Ortega** on *The Cheetah Girls 2*.

He is particularly drawn to complex, morally ambiguous characters of restrained intensity, who inhabit worlds of authority and tension.

Spanish and **Catalan** are his native languages, and he speaks **English**, **French** and **Italian** fluently.
